PRODUCT OVERVIEW

Fabricated of brass with a chrome finish and a black neoprene bumper to protect wall and or partition surfaces. Two (2) mounting holes capable of accommodating #10 screws (supplied by others) are provided for anchoring unit to wall.

KEY FEATURES & SPECIFICATIONS

- Heavy Duty Chrome Plated Brass
- Surface Mounted

**American Specialties, Inc.****Model #0714****Technical Data Sheet****OPERATION & MAINTENANCE**

Washroom accessory products require regular surface cleaning, much the same as stainless steel sinks, pots and pans, and eating utensils. As long as a regular cleaning schedule is followed, the best method is cleaning with a soft clean rag moistened with a mild detergent, followed by a water-moistened clean rag and then a dry rag.
