Technical Data Sheet

OPERATION & MAINTENANCE

Stainless Steel washroom accessory products require regular surface cleaning, much the same as stainless steel sinks, pots and pans and eating utensils. As long as a regular cleaning schedule is followed, the best method is cleaning with a soft clean rag moistened with a mild detergent, followed by a water-moistened clean rag and then a dry rag. For a "new" look, surfaces can be wiped with lemon oil applied by a soft polishing cloth to maintain sheen. Stainless Steel should be protected against muriatic acid and caustic or abrasive materials, and harsh cleaning detergents with pH outside the range 7 ± 1.5 . In the event such agents cause discoloration, polishing with a stainless steel cleaner such as 3M Stainless Steel Cleaner & Polish and a soft cloth on bright or mirror finishes, or for satin finish surfaces the Stainless Steel cleaner and 3M Scotch Brite pad either blue (less aggressive) or green (more aggressive) is recommended.

Property	Value
Dimensions	4-1/2" [114] W x 5" [127] H x 2-1/2" [64] D
Construction	Type 304 Stainless Steel - Bright Finish
Mounting	Surface Mounted
Capacity	

INSTALLATION

Surface mount unit on door or wall using #10 self-threading screws (by others) through holes provided in mounting plate into suitable prepared mountings (by others) or other suitable mounting hardware (by others) to suit door or wall conditions. Hang post and flange assembly on mounting plate and tighten setscrew to lock unit to plate. For compliance with ICC/ANSI A- 117.1-2003 and 2010 ADA Accessibility Standards install unit with top of hook 48" [1219] maximum Above Finished Floor (AFF) if clear floor forward reach or if clear floor side reach access only is provided or 46" [1168] max AFF if side reach access over an obstruction (e.g. vanity) with reach depth greater than 10" [254] and less than 25" [635] is only provided or 44" [1118] max AFF if forward reach over an obstruction with reach depth greater than 20" [508] and less than 25" [635] is only provided. For general utility install hook with centerline of mounting plate between 68" and 72" [1727 to 1829] AFF.
