Safety Information

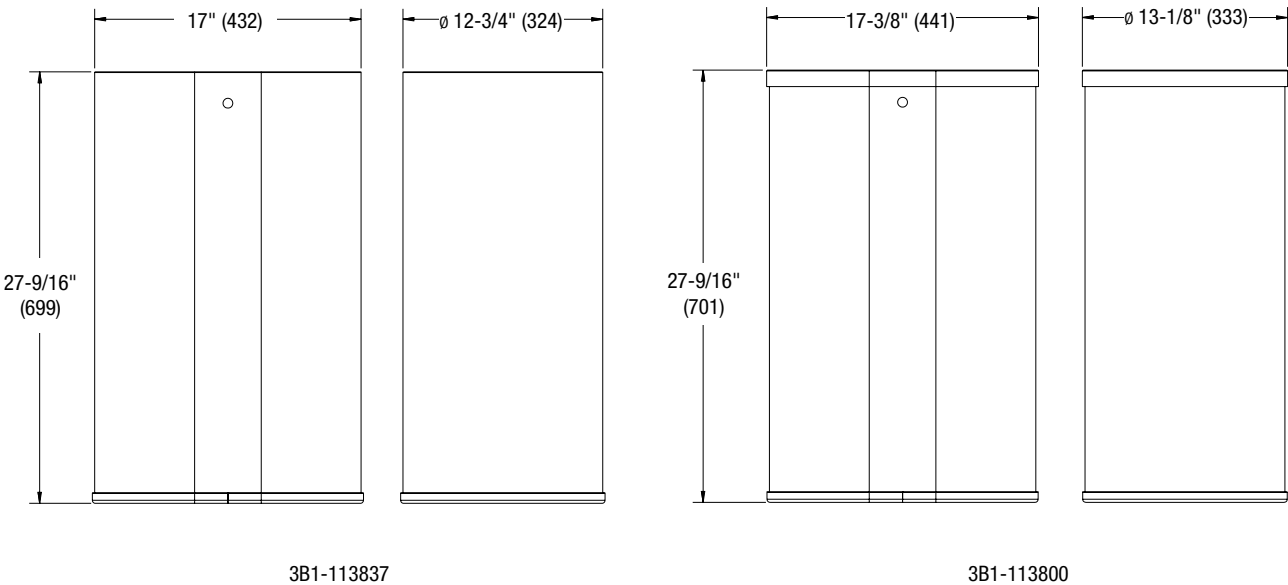

IMPORTANT

Read this entire installation manual to ensure proper installation. When installation is complete, file this manual with the owner or maintenance department. Compliance and conformity to local codes and ordinances is the responsibility of the installer.

Separate parts from packaging and make sure all parts are accounted for before discarding any packaging material. If any parts are missing, do not begin installation until you obtain the missing parts.

## Installing the Waste Receptacle

**A** Place waste receptacle in desired location.

**B** Place liner in waste can prior to use. To place liner, insert liner into the center of the waste can. Lift the retaining rings and fold the liner over the top of the rings. Push the rings back down to capture the top of the liner.

**C** For Model 3B1-113800, place the cover over the top of the waste can.
