

Use this form to order ASI TRADITIONAL STEEL LOCKERS when you know how many of each you will need.
Items in **RED** are required.

STEP 1: Provide your contact info.

Name

Phone

E-mail

STEP 2: Provide your location info (where will the lockers be installed).

Street Address

City

State

Zip

STEP 3: Provide your estimated timeline (when will you need the lockers on site?).

STEP 4: Lockers are shipped flat (unassembled) on pallets.

Do you have a loading dock?

Will you need a lift-gate?

Will the delivery need to be scheduled?

Who will be your shipping contact?

Name

Phone

STEP 5: Please use the following pages to indicate how many lockers of each configuration your job will require. Remember to specify both starter lockers and adder lockers.

STARTER LOCKER (Comes with a front, back, and 2 sides.)

When building a bank of lockers,
1 out of every 4 lockers must be a starter locker.

ADDER LOCKER (Comes with a front, a back, and 1 side)

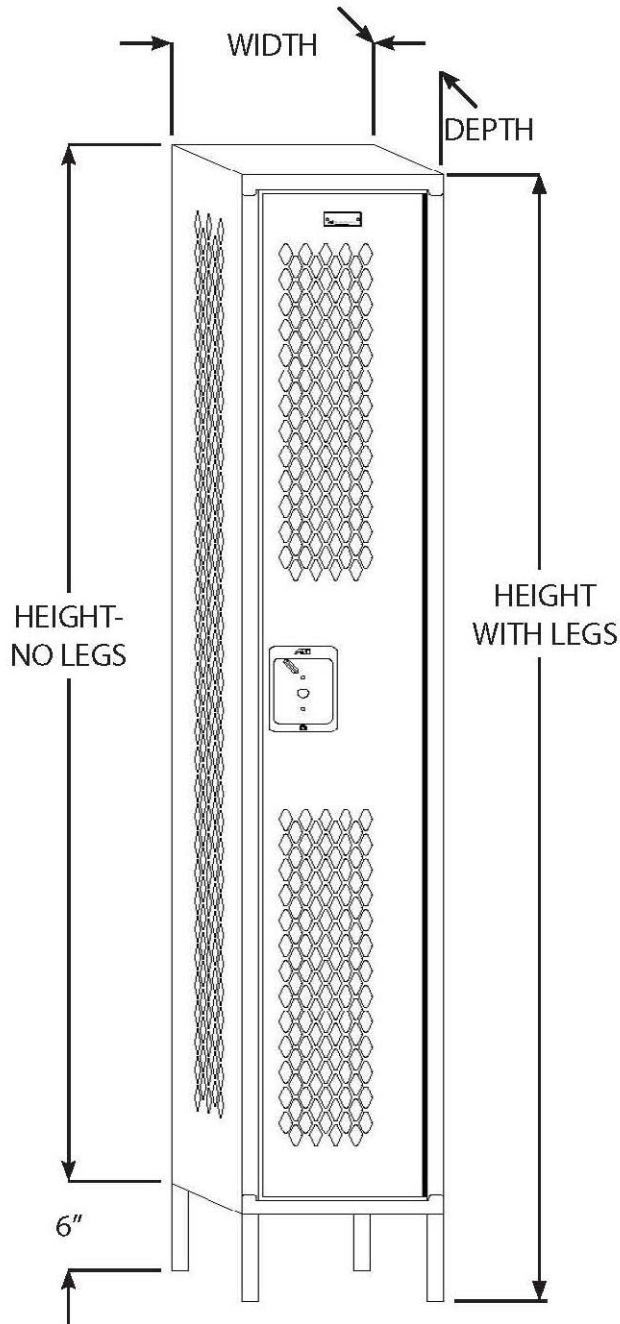

When building a bank of lockers,
1 out of every 4 lockers must be a starter locker.

IMPORTANT NOTE: This product will arrive as KNOCK-DOWN (in pieces). It must be assembled by qualified staff. Pre-assembled units are available for an extra charge. Please call 704-937-2675 for details.
