

*Use this form to order ASI TRADITIONAL STEEL LOCKERS when you know the layout and what style you want, but don't know the exact number of lockers needed. Items in **RED** are required.*

STEP 1: Provide your contact info.

Name

Phone

E-mail

STEP 2: Provide your location info (where will the lockers be installed).

Street Address

City

State

Zip

STEP 3: Provide your estimated time-frame (when will you need the lockers on site?).

STEP 4: Shipping Info. (Lockers are shipped flat (unassembled) on pallets.)

Do you have a loading dock?

Will you need a lift-gate?

Will the delivery need to be scheduled?

Who will be your shipping contact?

Name

Phone

IMPORTANT NOTE: This product will arrive as KNOCK-DOWN (in pieces). It must be assembled by qualified staff. Pre-assembled units are available for an extra charge. Please call 704-937-2675 for details.

STEP 5: Select the specifics of your locker.

Color

Additional Note

Number of Tiers / Compartments

Legs

Height

(Including Legs if selected)

STEP 5: (Continued)
