

# SMARTdri® Series

Speed That's Smart

For those who want it all in a simple design, SMARTdri is a wise choice. It dries hands in as little as 10 seconds, which blows away comparable models.

It's energy efficient, durable, hygienic, and flexible. Users appreciate the antimicrobial technology, adjustable controls set to their comfort, and quieter sound quality. Contractors find it easier to install with control options suitable for any application. And while it may be compact, you can expect it to withstand a high-demand environment.

Best of all, it's efficient, using 80 percent less energy than conventional hand dryers. Every model is backed by a 10-year warranty for added peace of mind. Choose between a multi-port nozzle or a focused high-intensity nozzle.

**SMARTdri Plus**
