# E-Z Flush<sup>®</sup> Sensor Retrofit Kit

Intuitive Experience, from Fit to Flush

Replace your existing Zurn or Sloan<sup>®</sup> handle-operated diaphragm flush valves with the E-Z Flush Retrofit Kit. It's an automatic upgrade, from installation to long after. The sensor flush allows for greater sanitation and water savings. Since it's solenoid free, users experience consistent performance, flush after flush.

**NO SOLENOID**

## Contractor Benefits

E-Z Flush installs in less than three minutes. Packaging contains the E-Z Flush unit, four C cell batteries, battery compartment wrench, handle nut gasket, and handle nut wrench. Instructions come in both English and Spanish. The kit works for urinal or water closet operation.

## Building Owner Benefits

Building owners realize less upkeep and lower operational costs. The internal sensor and motor components never encounter water, helping to prevent corrosion. The impact-resistant cover deters vandalism. While the battery lasts three-plus years, it replaces no problem once it's time.

## User Benefits

You can adjust the sensor range to meet any application. The technology's precise engineering detects the user for a well-timed flush, every use. E-Z Flush includes a manual override button for on-demand flushing when desired.

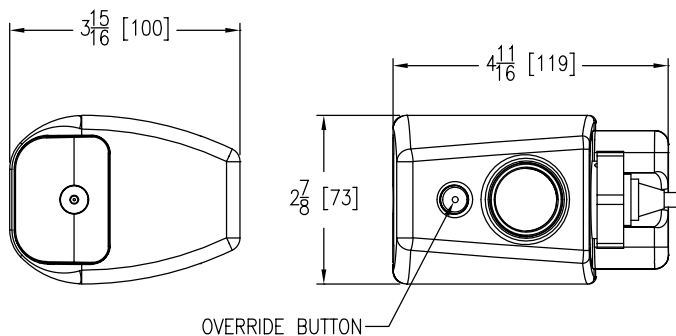

Specify E-Z Flush for your next project or retrofit at [inspec.zurn.com](https://inspec.zurn.com).

## E-Z Flush Sensor Retrofit Kit

### Engineering Specifications

AquaSense® E-Z Flush Unit is designed to provide automatic flushing for urinals and/or water closet flush valves.

- Sensor
  - Infrared
  - User in-view LED
  - Low battery indicator light
  - 24 hour auto-flush setting
  - 3-second delay flush
- Override button
- 6 VDC motor actuator
  - Ultra energy efficient electronics
  - 4 "C" size batteries included
- ADA compliant
- Included tools
  - Wrench for installation
  - Hex key for battery compartment

### Accessories

- CB Cambridge Brass Retrofit
- HMK Highmount Adapter
- MC Metroflush/Crown Valve Retrofit
- \_\_\_ Other

### Two E-Z Flush Models to Choose From

**ZERK-CCP**  
E-Z Flush with impact resistant chrome plated cover

**ZERK-CPM**  
E-Z Flush with vandal-resistant chrome metal cover
